#### **Update on Dates**

If you're experiencing chillier weather as some of us on the East Coast are, we hope you are managing to stay warm.

We just wanted to share a quick update — the Joshi seminar this year will now be three days, instead of four. Mark your calendars for **May 30-June 1st**!

Since the seminar will be shorter, pricing will be as follows:

Early Bird, April 30th - \$360 Regular - \$400 One-day - \$130

## <u>Seminar</u>

This year, the Joshis will cover five live cases and will refine the MAP numbers which will cover both the sub-kingdoms.

They will share how the numbers have been edited and the MAP process.

The types of cases that will be covered include a nine-year-old child with highly sensitive, emotional, and behavioral issues. She was given Hyena (Crocata crocata).

The seminar schedule will be sent at a later time and will be held virtually.

All the best, Sonam and Marina
